

# Baseline Eye Exam Provider

---

The University of Notre Dame requires baseline eye exams for all users of Class 3B and Class 4 lasers. The exams have been performed by Michiana Eye Center but beginning immediately baseline laser eye exams will be done by Grossnickle Eye Center, 4330 Edison Lakes Parkway, Mishawaka, IN. Grossnickle Eye Center exams will adhere to national consensus standards for laser operators.

Eye exam medical records are confidential so the University of Notre Dame will not have access to them. The records will remain at Grossnickle Eye Center.

Use of a Class 3B and Class 4 laser units are prohibited until a baseline eye exam has been completed. This is a baseline exam and is not "pass" or "fail". To schedule an appointment contact Grossnickle Eye Center at [\(574\)271-0120](tel:574271-0120). The cost for an exam is \$75.00 and will be covered by the Department in which the laser user is working, or the PI, according to departmental policy. Please use the attached form to ensure proper processing of the exam. The completed form must be taken with you to the appointment. Once the eye exam is performed, retain the signed bottom portion of the form. Return this to your lab for record retention.
